FEEL

Una texture marmorea nobile ed elegante, la maniglia INWH abbinata è una presenza discreta.
A noble and elegant marble texture, the INWH combined handle is a discreet presence.

#01

DELIGHT

La finitura Astro Quercia delle colonne, a contrasto con gli altri materiali, ha lo scopo di spezzare la linearità della composizione. Una scelta stilistica che da energia all'atmosfera e regala personalità. In contrast to the other materials, the Astro oak finish of the columns is designed to interrupt the linearity of the composition. A stylistic choice that injects energy into the atmosphere and introduces personality.

CONTRAST

La nuova moda in cucina è la pietra con grande personalità, dalle decise venature a contrasto. Il nuovo laminato Kayla si può abbinare splendidamente a tutti i modelli del nostro campionario.

The new trend in the kitchen is stone with great personality and strong contrasting veining. The new Kayla laminate can be combined beautifully with all the models in our sample collection.
